Parent Helpers

Each group will require parent helpers on concert day for the entire day; this will be broken down into three shifts. For security reasons we are unable to allow any parent backstage who is not a registered helper. Your child can be dropped to the dressing room where they will be looked after by registered parent helpers and DPA staff.

SATURDAY 21st November 2015

Shift 1 - Rehearsal: 8.15am to 1.00pm

Shift 2: 1.00pm to 4.30pm

Shift 3: 4.30 to 8.00pm

Lists will go up on rehearsal days in Oct/Nov to enable us to ensure that each group has adequate help on the day. However, if you know which shift you wish to assist with, please e-mail us promptly, so that we can put your name down. Some children have several costume changes and will require assistance to ensure that they are ready for their next routine. You may be allocated to a different class from your child if we do not have sufficient coverage. Parent helpers will need to take children down to the stage in the correct stage order, as there is limited space backstage to organize them. The helper may only leave backstage once all children in their care have departed. Parent helpers are not allowed in stage area due to occupational health and safety.

Each Baby and Princess ballet student **MUST** have one parent backstage at all times.

There will be a parent helper meeting on: **Saturday 14th November at Newport Public School at 9am.**
