PARENT HELPERS

Each group will require parent helpers on concert day for the entire day. This will be broken down into three shifts. For security reasons we are unable to allow any parent backstage who is not a registered helper. Your child can be dropped to the dressing room where they will be looked after by registered parent helpers and DPA staff.

Saturday 24th November 2018

Shift 1 – Dress Rehearsal 8.15-1.00pm/ Shift 2 – 1.00pm to 4.30pm/ Shift 3 – 4.30 – 8.00pm

Please e-mail the office if you can help on concert day, please specify your name, class and shift .

Some children have multiple costume changes and will need assistance to make sure they are ready for their next routine. You may be allocated to a different class to your child if we do not have sufficient coverage in all classes. Parent helpers will need to take children from dressing room to stage in correct dancer order as there is limited space backstage. The helper may leave backstage once all children in their care have departed. Parent helpers are not allowed in stage area due to occupational health and safety.

Princess ballet students MUST have one parent/guardian backstage with them at all times.

There will be a parent helper meeting on: **Saturday 17th November at Newport Public School at 9am**
